

Dr. (H.C) Yap Han Seong

Honorary Doctorate in Business Administration

Yap Han Seong, with a career spanning nearly three decades, has established himself as a notable figure in business and hotel management. As the Chief Executive Officer of Factory Development, Mr. Yap has been instrumental in steering the company towards operational excellence and significant growth. He holds a bachelor's degree in business and hotel management from Lincoln University, which has played a critical role in shaping his professional path.

In his role as CEO, Mr. Yap has excelled in aligning the company's team with its strategic vision, streamlining operations, and implementing efficient processes that have substantially reduced operational costs. His diplomatic skills and ability to forge strong, mutually beneficial relationships with stakeholders, partners, and clients have been key to the company's success. Mr. Yap's leadership has ensured the timely and budget-compliant completion of numerous company projects, maintaining the highest standards of quality.

A firm believer in mentorship, Mr. Yap has created a work environment at Factory Development that emphasizes continuous learning and development. His guidance and sharing of knowledge and experience have nurtured a dynamic, high-performing team capable of facing industry challenges.

Mr. Yap's academic achievements at Lincoln University, where he pursued a bachelor's degree in business and hotel management, have been pivotal in his career. His engagement with the curriculum and application of theoretical knowledge in practical scenarios have been hallmarks of his professional journey.

In terms of skills, Mr. Yap excels in strategic planning and execution, setting clear objectives, and leading his team towards achieving them. His leadership and team management style is inclusive and empowering, fostering a culture of excellence and innovation. He has a keen focus on operational efficiency, leading to cost reductions and streamlined processes that enhance organizational efficiency. His stakeholder management skills have been vital in creating and maintaining strong partnerships, aligning all parties with the company's objectives.

Mr. Yap has a proven track record in project management, ensuring all projects are delivered on time and meet the required quality standards. His innovative approach to business development has identified and capitalized on new opportunities, contributing to the company's growth and success. With a strong background in hotel management, Mr. Yap brings valuable knowledge and experience to the company's ventures in this sector.

In summary, Yap Han Seong is a seasoned and highly skilled professional in business and hotel management, whose transformative leadership at Factory Development has led to significant organizational growth and operational efficiency. His commitment to excellence, combined with his extensive experience and academic background, positions him as a valuable asset in any organization. As he continues his journey in professional development and education, Mr. Yap is poised to make further significant contributions to the industry.
