NIGHT in the MUSEUM EXPERIENCE

For a truly magical evening that will be remembered for years to come, let's engage with an expert-led private tour of the Greek & Roman gods & goddesses collections and exhibitions.

OUR COMMITMENT TO SUSTAINABILITY

The Royal Club at the Ashmolean Museum as per the undertaking of University of Oxford, is yet passionate about sustainability and we wholeheartedly believe that Christmas parties and other celebrations can be kinder to the planet without compromising on quality or enjoyment.

We work with catering partners who offer delicious low carbon menu choices and whose talented chefs have developed creative and inspiring dishes using seasonal and local ingredients where possible.
